
Bovey Castle

Administrated from: Stonnall (Southern Office)

Contract location: Devon

Value: £110,480

Duration: 1 month

Sector(s): Leisure

Type(s) of work: Asbestos Removal

Description of work

Omega Environmental were tasked to carry out a limited asbestos survey due to the listing associated with the structure (Grade 2*) in order to identify waste to be removed and develop a methodology to do so without causing damage to the building fabric. We provided expert guidance to the CDM co-ordinator as to the methods of working that will be adopted in order to successfully and safely complete the project.

Method of work

Omegas operations of work were carried out in a systematic manner to maximise efficiency while minimising risk. All waste was removed from the work area on a daily basis to facilitate the smooth running of the programme. Our expertly skilled management and highly trained operatives undertook the contract works at sufficient resource levels to successfully complete the project within the contract programme. Naturally, Omega provided a consistent high level of service and the client was extremely satisfied throughout the course of the project.
