

Integrated Policy Statement

Omega Environmental Services Ltd specialises in the Asbestos Management and Removal Services to a comprehensive range of industries, both in the public and commercial sectors. Omega are committed to continually improving quality, health & safety and environmental performance whilst consistently meeting our customers' requirements as to the quality of our service, advice and support in the management or removal of asbestos containing materials. The company aligns processes to achieve compliance with these commitments by implementing and maintaining an Integrated Management System (IMS), forming an integral part of the company's business strategy and designed to meet the requirements of BS EN ISO 9001, ISO 14001 and ISO 45001 (latest editions).

Omega is committed to proactively;

- Conducting business in such a manner that, as a minimum, ensures compliance with all applicable (current and anticipated) statutory and regulatory requirements;
- Setting objectives and targets that are monitored regularly, and raising awareness of all our employees in order that objectives are understood
- Ensuring all employees are made aware of and understand the IMS policy, procedures and supporting documentation, through training and provision of information;
- Providing safe and healthy working conditions for the prevention of work-related injury and ill health;
- Assessing the risks associated with our work activities and implementing control measures to ensure, so far as is reasonably practicable are eliminated or reduced;
- Protecting the environment, including prevention of pollution;
- Committed to consultation and participation of workers, and, where they exist, workers' representatives;
- Committed to the continual improvement of the Integrated Management System to enhance quality, environmental and health and safety performance.

This policy is publicly available to all interested parties and is reviewed periodically to take account of applicable local, statutory, regulatory and customer requirements and any changes in work activity.
